

Product Termination Notification

Dc165

PTN TRACKING NR : PTN_SSR-3821

PRODUCT GROUP	SSR – Solid State Relays
DESCRIPTION OF CHANGE	Last time buy notice for our SGB, SGT, SIT, SVT and SWT 1st generation.
CLASSIFICATION OF CHANGE	Major (PTN)
REASON FOR CHANGE	Due to parts shortages and the availability of next generation, more feature-rich products supplied by celduc relais, we are announcing a last time buy for our SGB, SGT, SIT, SVT and SWT 1st generation.
EXPECTED INFLUENCE ON QUALITY/RELIABILITY	Product Obsolescence Information. One to one replacement part is not always 100% possible but we suggest in this document the best fit replacement. Last Time Buy Deadline and Final Ship Date mentioned in this document are to be taken into consideration
PRODUCT CATEGORY	3-phase Solid State Relays 1st Generation

The above suggested replacement are the Best Fit Replacements but, prior to the installation, technical data-sheets should be consulted on www.e-catalogue.celduc-relais.com to validate the replacement. On request, celduc can provide you with the detailed differences between 1st generation and 2nd generation.

*These products are with 40mm spacing fixing holes housing and suggested best fit replacements are with 47.6mm spacing fixing holes housing. It means you will need to change the fixing holes positions on your heatsink. Consult celduc.
